

2.7 Tredfx

Fibreglass Slip-Resistant Products

Gript Series fibreglass

The Tredfx Gript series has been released to meet the need for a stair nosing that's able to withstand the extremes. Popular for use on fire escape stairs, oil rigs and in industrial applications, this series stands up to the toughest of tests. Tredfx Gript products are manufactured from premium fibreglass and are resistant to most chemicals. They are non-conductive, fire retardant and not affected by high levels of moisture. Ideally suited for external applications.

Specification Guide

Install Tredfx Gript (insert code) fibreglass safety stair nosings, colour (insert colour), to exterior stairs as required in accordance with manufacturer's recommendations and the requirements of the NCC and AS1428.1-2009.
