Product Data Sheet

Premier

Ribbed Carpet Style Matting

Crush resistant carpet style matting

Integra Premier has been specifically developed with a unique reinforced chevron pattern which provides a highly effective scraping action. Its special construction and the density of its polypropylene pile forms an effective moisture-absorbing barrier, competently arresting the spread of moisture, dirt and grit to maintain the life and safety of your floors.

Specification Guide

Install Integra Premier carpet style entrance matting in colour (insert colour), comprising of dual-fibre large crush-resistant polypropylene fibres. If required, install Integra INFR08 aluminium mat frame to suit recess, or bevelled rubber edging for loose lay applications, in accordance with manufacturer's recommendations. Available from Classic Architectural Group, 1300 244 377, info@classic-arch.com
