## Tredfx Fusion Series

Designer Series Safety Stair Nosing with Metal Inserts

- Aluminium insert
- Ramped back
- Short raked front
- Pre-drilled and countersunk

The Tredfx Fusion series is the latest addition to our stair nosing range, offering a distinguished elegant metal insert within an aluminium profile, this designer series is suitable both internally and externally, with profiles to suit any application such as vinyl, concrete, carpet tiles or rebated applications. We take the extra step, offering a cut to length service as well as the nosings being supplied complete with fixings, ensuring a quick and easy installation.
