## Product Data Sheet

# TRP44R

## Tredfx Floor Trims

2 Part Trim with Aluminium Ramp Top

- Innovative ramped clip profile system with aluminium top section and a base section made of impact-resistant polymer
- Simple, fast and reliable installation - problem free disassembly and reusability
- Continuously variable adaptation of both the height and inclination
- Base and upper section are shrink wrapped together as a set
- High load capacity up to 1.5 tons

Elegant design, high strength, easy assembly and maximum load capacity these are the strengths of this innovative clip profile system. The special spiral-toothed ball joint allows the profile to automatically adjust to the height and angle of the floor and seal tightly. Fantastic look with concealed fixing.
