Product Data Sheet

Verse* R200

Reversible Aluminium Matting

Engineered aluminium matting

Integra Verse* R200 is a stand-out in its field. It is engineered to withstand the toughest and most demanding of environments. With unique features like double sided reversibility, Verse* is a matting system that offers longevity like no other. The R200 offers a greater wiper surface area which is therefore more suitable for applications where a larger amount of moisture absorption is required.

Specification Guide

Install Integra Verse* R200 reversible entrance matting, 12mm, featuring aluminium scraper bars with (insert insert colour) wiper strips. If required, install Integra INFR1217 aluminium mat frame to suit recess, in accordance with manufacturer's recommendations. Available from: Classic Architectural Group, 1300 244 377, info@classic-arch.com
