Product Data Sheet

DKR104

Tredfx Domain Series

Aluminium safety stair nosing with carborundum

- Carborundum insert
- Ramped back
- Short raked front
- Pre-drilled and countersunk

Contemporary appearance together with durability makes the Tredfx Domain series the preferred choice of many of today's specifiers. This range has now grown to include a greater choice of styles to suit a wider variety of substrates. Make your staircase safer and smart looking with these highly slip-resistant carborundum insert stair nosings. Suitable for both internal and external applications.
