# EziHold™ Tri Wall Mounted

## Triangular Cradle Bike Rack

The EziHold™ Tri Wall Mounted is a high-density bike storage system designed for maximum space efficiency. It can be installed individually or in larger clusters, making it ideal for car parks, bike storage rooms, and other indoor or covered areas. The EziHold™ Tri Wall Mounted features a gentle cradle for the front wheel, ensuring bike safety and easy access for parking. It can be mounted directly onto existing walls or opt for the EziHold™ Tri Post Mounted for added versatility.

### Features

- Robust wall-mounted bike rack made from durable, hot-dip galvanised mild steel.
- Securely holds one full-size bicycle.
- Versatile for indoor and outdoor use.

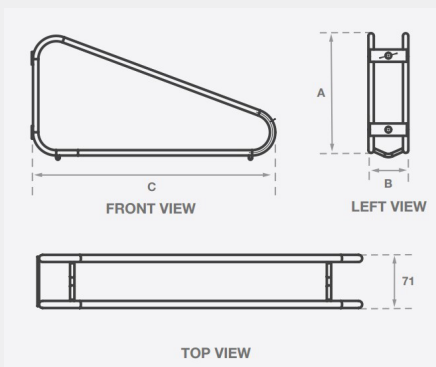

### Application

Wall Mount
