Classic Tredfx

TKR016

Traction Bar for Surface Mount Applications

Whether used on stairs or on a ramp, the Tredfx Traction Bar offers high levels of slip-resistance whenever installed. Available in the rigid format of traction bars or the go-anywhere tape format, this range is an economical and simple way to minimise costly slip-and-fall accidents. All of these products are suitable for interior or exterior use and are highly recommended for application to all access ramps.

Features

- Interior and exterior use
- Ramped edges
- Slip resistant grit
- Can also be used for stairs

Application

Surface Mount
