## Classic Tredfx

# TRP44R

2 Part Trim with Aluminium Flat Top

### Features

- Elegant design, high strength, easy assembly and maximum load capacity
- Innovative ramped profile system with aluminium top section and a base section made of impact-resistant polymer
- Simple, fast and reliable installation - problem free disassembly and re-usability
- Continuously variable adaptation of both the height and inclination
- Base and upper section are shrink wrapped together as a set
- High load capacity up to 1.5 tons

### Application

Connection trim between differing floor finishes to compensate for height differences of between 6-11mm.
