## Classic Integra

# Tough

## Pebble Carpet Style Matting

Classic Integra Tough has been specifically developed with a unique pebble pattern which provides a highly effective scraping action. Its special construction and the density of its polypropylene pile forms an effective moisture-absorbing barrier, competently arresting the spread of moisture, dirt and grit to maintain the life and safety of your floors.

### Features

- Easy removal of trapped dirt and particles when cleaning
- Excellent water and dirt retention
- Enhances interior appearance and acoustics
- Reduces floor maintenance and cleaning costs
- Minimises costly slip-and-fall accidents
- Available in Latex backing for recessed applications, and PVC backing for loose-lay applications

### Application

High traffic and high-end corporate entrances. Can be installed recessed into mat wells, or loose-lay in lobbies and atriums.

#### Suitable for

Schools, shopping centres, retail, community etc.

#### Nominal Sizes

2000 mm wide roll, custom cut to length

#### Frames

Suits the INFR08 framing system

#### Matting Colours

Charcoal
