## Classic Integra

# Verse R200

## Reversible Aluminium Matting

Classic Integra Verse is a stand-out in its field. It is engineered to withstand the toughest and most demanding of environments. With unique features like double sided reversibility, Verse is a matting system that offers longevity like no other. The R200 offers a greater wiper surface area which is therefore more suitable for applications where a larger amount of moisture absorption is required.

### Features

- Able to withstand ultra-high traffic
- Modular system to maximise wear
- Double wiper strips for optimum dirt and moisture retention
- Fully reversible, double sided construction allows longevity
- Regular turning keeps matting fresh
- Versatile design to allow best results

### Application

Recess into mat wells, surface mount with ramp frame, wall-to-wall in airlocks and lobbies. High traffic areas. Internal and external use.

#### Suitable for

Commercial office buildings, shopping centres, hotels, motels, airports, schools and universities, hospitals and aged care homes, all public domains - libraries, etc.

#### Frames

Suits the INFR11 framing system for 12mm and INFR17 for 17mm

#### Matting Colours

Charcoal Natural

#### Aluminium Colours

Black, Natural

12mm & 17mm

- Suitable for high traffic applications
- Easy to clean, highly effective scrape and wipe cleaning action
- Resistant to fungal and bacterial growth
- Suitable for wheelchairs, heavy trolleys and other wheeled traffic
- Optimum dirt and moisture retention
- Healthier, cleaner environments
- Interior and exterior options available
- P5 Slip resistance rating
- Fire test report available
