## Classic Integra

# Verse R300

## Reversible Aluminium Matting

Classic Integra Verse is for someone who wants to stand out from the crowd. It is engineered to withstand the toughest and most demanding of environments. With unique features like full reversibility, Verse is a matting system that offers longevity like no other. The R300 presents the best of both worlds; more aluminium than R200 and more wiping area than the R100.

### Features

- Able to withstand ultra-high traffic
- Modular system to maximise wear
- Double wiper strips for optimum dirt and moisture retention
- Fully reversible, double sided construction allows longevity
- Regular turning keeps matting fresh
- Versatile design to allow best results

### Application

Recess into mat wells, surface mount with ramp frame, wall-to-wall in airlocks and lobbies. High traffic areas. Internal and external use.

#### Suitable for

Commercial office buildings, shopping centres, hotels, motels, airports, schools and universities, hospitals and aged care homes, all public domains - libraries, etc.

#### Frames

Suits the INFR11 framing system for 12mm and INFR17 for 17mm

#### Matting Colours

Charcoal    Natural

#### Aluminium Colours

Black, Natural
