For Every Step

Classic Tredfx

CSA Series

Aluminium Floor Cover Strip

Tredfx CSA series floor strips are designed for smooth transition between different flooring surfaces. These cover strips are of a solid design for commercial installations, but would also suit domestic applications. Suitable for: Commercial and domestic applications, schools, retail, public housing and offices. Will facilitate wheel chair/trolley access between rooms with vinyl flooring and carpeted corridors e.g. in Medical centres.

Features

- Solid design for commercial installations, but would also suit domestic applications
- Designed for smooth transition between different floor surfaces
- Concealed fixing with self adhesive aluminium strip
- Supplied complete with fixings

Application

For transitions between floor finishes of different levels, to be installed over the top of the floor finish.
