Classic Integra

INFR11

Framing System – Verse 12mm, Vantt, Shield

The Classic Integra frame is the perfect partner for our range of architectural entrance matting to create a defined mat well and enhance the entrance appearance. It is designed to be installation friendly and comes as a modular system complete with corner clips.

Features

- Design eliminates the need for screeding
- Reduces costly custom fabrication cost and lead times
- Available in full lengths or cut to size with mitred corners
