PKD444

Aluminium Safety Stair Nosing for Carpet Applications

Specifically developed for carpeted area applications, the carpet applications range of Tredfx stair nosings look great, work well and are easy to install. The PKD444 profile is designed to suit 4-6mm carpet, and be pre-fitted before the carpet is laid for a flush look. The range provides a compliant and effective interior safety application. The combination of profile and insert colours available makes them suitable for a range of carpet colours.
