PBD144

Aluminium Safety Stair Nosing for Carpet Applications

Specifically developed for carpeted area applications, the carpet application range of Tredfx stair nosings look great, work well and are easy to install. The PBD144 profile is designed to suit 4-6mm carpet, and be pre-fitted before the carpet is laid for a flush look. The range provides a compliant and effective interior safety application. A huge offering of profile and insert colour combinations makes them suitable for use with any colour carpet.
