Bicycle Racks - Wall Horizontal

Black Powder Coated

Classic's horizontal wall mount bike rack is a great way to utilize wall space, above a vehicles bonnet in a car park.

Features

- Capacity to support up to 2 bike frames in a horizontal position
- Fully welded construction made from heavy duty steel in black powder coated finish
- Easily installed and provides maximum wall efficiency

Suitable for:

Ideal for schools, shopping centres, walkways or warehouses.

Application

Secure each bikes frame and/or both wheels at 3 points. Each bike can be independently secured, but the front bike must be removed to access bike at rear.
