# Verti Tri Wall Mounted

## Triangular Cradle Bike Rack

The Verti Tri Wall Mounted is a high-density bike storage system designed for maximum space efficiency. It can be installed individually or in larger clusters, making it ideal for car parks, bike storage rooms, and other indoor or covered areas. The Verti Tri Wall Mounted features a gentle cradle for the front wheel, ensuring bike safety and easy access for parking. It can be mounted directly onto existing walls or opt for the Verti Tri Post Mounted for added versatility.

## Features

- High-density bike storage system designed for maximum space efficiency.
- Suitable for car parks, bike storage rooms, and other indoor or covered areas.
- Features a gentle cradle for the front wheel, ensuring bike safety and easy parking.
- Can be installed individually or in clusters for flexible storage solutions.
- Mounts directly to walls or pairs with the Verti Tri Post Mounted for added versatility.

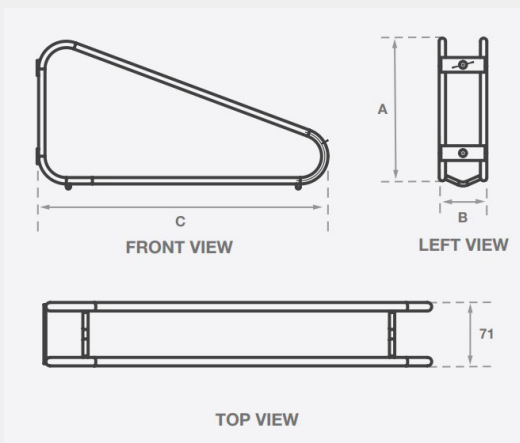

## Application

Wall Mount
