EziHold Swivel Wall Mounted

Dynamic Triangular Cradle Bike Rack

This rack combines style with smart functionality through its unique hinge design, allowing the rack to swivel smoothly from side to side. This dynamic feature minimises required spacing between racks to just 400mm, meeting Australian Standards for bike storage (AS2890.3) while maximising storage capacity. The innovative cradle securely holds the front wheel, making it easy to lock both the wheel and frame for added security. Perfect for compact, efficient bike storage solutions.
